Flip Top Table Accessories

A practical range of Flip Top Table Accessories

Power Sockets

- Flush mounted desktop power supply.
- Available in 3 colours: Grey/Silver, White/Silver, Black/Silver
- Flip lid desk top power supply can be fitted to seminar tables and flip top tables
- Different power and data options available
- Ideal for conferences/classrooms/offices/universities etc.

Linking

Table links are an optional extra, these can be fitted to the ends or sides of tables and depend upon the set up being achieved. Having links at the ends of the tables are usually the popular choice, which allows half round tables or quarter round sections to be attached to each other.

Locked linking mechanisms

Open linking mechanisms

Table tops and colour range for Flip-Top tables

38mm thick table top is made from extremely strong high density chipboard top and bottom surface layers, combined with a light, yet robust hollow core made from recycled cardboard.
